

WELCOME ADDRESS

OLOLADE IDOWU - ADEGOKE MANAGING PARTNER

Distinguished speakers and attendees, it is a privilege and honour to welcome you all to this webinar themed “STARTUPS, CORPORATE GOVERNANCE AND FUNDRAISING IN THE TECH SPACE: PATHWAYS FOR EMERGING BUSINESSES”.

We will like to thank you for taking time out from your busy schedules to be part of this knowledge-packed lecture and making this event a reality. You are the real MVP. We appreciate you all.

The very essence of this lecture is to help start-up businesses particularly those in the Technology industry navigate their path in the corporate and finance sphere for a sustainable growth and efficient management.

Today, we have brought together some of the best minds cutting across various sectors of the business world, ranging from Legal regulator and governance, financing, business advisory and start-ups, to share from their wealth of experience either as a regulator or facilitator of ideas, consultant, or even on the receiving end of the challenges faced in attempting to build a global brand.

Experience shared by others are sure better alternatives to making multiple errors before getting it right. This webinar offers our dear audience the rare opportunity of gaining firsthand directions to aid business decisions and enable growth with minimal or zero errors.

RouQ & Co, having being in the business of providing top-notch and edge cutting legal advisory to businesses over the years, as well as managing disputes through the divers resolution mechanisms for a wide clientele, both indigenous and foreign based, we find it of necessity to offer this focused knowledge sharing opportunity to startups to provide foundational insights towards matters such as corporate governance and fund raising.

Our choice of the tech industry as a focus stems from the ever-growing interest of the youthful population of the country.

We believe enabling these range of the population will go a long way in addressing the issues of criminality, provide mouth-watering alternatives, improve employment indices and will have a positive ripple effect on the Country's Economy. Nevertheless, our list of speakers is evident that the doors are not shut out to other industries as they shall be addressed in general.

Given the limited time available for this session, we are aware that all your concerns may not be sufficiently attended to. We would be glad to provide further assistance on any legal concern of importance to you as a fallout of this webinar, feel free to reach out.

Once again, we welcome you to a life changing experience in your business trajectory.
